

MD PICTURES SETS BOX OFFICE RECORDS WELCOMING IN THE NEW YEAR!

MAKMUM 2 breaks the 2021 Indonesian film box office record for highest ticket sales on opening day

Jakarta, 4 January, 2021 – PT MD Pictures Tbk (IDX:FILM) an MD Entertainment Company, signaling good news for the beginning of a recovery for Indonesian cinema. MD Pictures' year-end release of *Makmum 2* has set the box office record for the highest number of tickets sold on opening day for any Indonesian film of 2021. In an article posted January 2 by the popular online news portal Liputan6, *Makmum 2*, was acknowledged as the highest grossing Indonesian film on opening day for the entire year of 2021. With an opening box office of 46,815 tickets sold, and over 220,000 tickets already sold in just its first 4 days, this film's performance at the box office is a bright sign that the cinema audience in Indonesia is on an upward trend to recovery.

Makmum 2 is the eagerly-awaited sequel to 2019's breakthrough horror hit, *Makmum*. Co-produced in a collaboration between Dee Company and MD Pictures' Blue Water Films, this frightening story follows Rini, (Titi Kamal) as she returns to her hometown to grieve her Auntie's death, where her only child goes missing and a haunting terror attacks her village. The film has been praised by critics and fans alike, as "nerve-wracking!", "thrilling from beginning to end!", and "better than the first, with a strong moral message too!"

"We're thrilled to see Indonesian movie fans starting to return to the theater in record numbers," said Manoj Punjabi, CEO, MD Pictures, "and even now as we're coming off of an unprecedented year for digital distribution and company growth, it's a very positive sign for MD Pictures and the entire Indonesian movie industry to see cinema attendance climbing once again."

Makmum 2 is playing now, only in cinemas, in all major theater chains across Indonesia, and will be opening in Malaysia, Singapore, and Brunei this Friday.
